

Year 11 MFL Homework Plan - Spring 2017

For the run up to the exams each week's homework will consist of:

1. READING AND LISTENING TASKS FROM YOUR PEARSON REVISION WORKBOOK
(See below for the topics that we will revise each week)
2. TRANSLATE / REVISE / LEARN THIS WEEK'S PAST PAPER EXAM VOCABULARY LIST

You do not need to wait to revise a topic. You can see what topics are coming up. At the back of your revision workbook there is a mock reading and listening paper so start working your way through. Be proactive and start getting yourself organised and revising your vocabulary now ...
