

8th January 2015

Dear Parent/ Guardian,

Wednesday 14th January will be a different type of learning experience for all Year 7-11 pupils as it will be a Curriculum Day. The aim of the Curriculum Day is to allow pupils to learn about a topic, subject or area in greater depth than would usually be possible in the school day. We also hope that it will broaden pupils' horizons and very importantly be good fun.

Year 8 pupils will experience a number of different activities in different curriculum areas based on the theme 'Carnivals'.

The timings of school day will be altered slightly to accommodate the activities, but school will start and finish as normal. Pupils are expected to wear school uniform.

We hope that the Curriculum Day will prove to be a valuable and enjoyable learning experience for all our pupils. It is also envisaged that a photographic record of the day will be available on the VLE shortly afterwards.

Yours sincerely,

Mr S Carroll

(Deputy Head)
